**Subject:** Request for Dispute Resolution - Portland Harbor Superfund Site

Kristine and Lori,

Attached please find the request for dispute resolution submitted today by Arkema Inc., Chevron U.S.A. Inc., Evraz Inc. NA, Gunderson LLC, NW Natural, TOC Holdings Co. and Union Pacific Railroad Company. A copy of the Appendix and Attachments (which were too large to email) have been delivered to EPA on a CD this afternoon (the letter is not included on the CD). We can also email the attachments in pieces if that is more convenient for you.

Consistent with the resolution of the FS take over dispute, we understand that EPA anticipates resolving this dispute simultaneously with its remedy decision. It is our expectation and intent that our submission of this request not affect EPA's schedule for remedy selection. We have, however, included our contact information on the letter in the event EPA would find it helpful to discuss any of the concerns raised by the letter.

We look forward to continuing to work with EPA toward an implementable cleanup at Portland Harbor.

Patty
